TRIBUTE TO CATHY FINK AND
MARCY MARXER

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2005

Mr. VAN HOLLEN. Mr. Speaker, it is with great pleasure that I rise to commend two of my constituents, Cathy Fink & Marcy Marxer. For the second year in a row Fink and Marxer, residents of Kensington, Maryland, won a GRAMMY® for Best Musical Album for Children. Their winning album is entitled "cELLAbration: A Tribute to Ella Jenkins."

The album celebrates the music of Ella Jenkins, "The First Lady of Children's Music" and the winner of the 2004 GRAMMY® Lifetime Achievement Award. The project was a gift to Ella Jenkins in honor of her 80th birthday.

Fink and Marxer won their first GRAMMY® last year for "Bon Appetit! Musical Food Fun," and every album they have released since 1997 has been nominated for this prestigious honor.

As a Member of Congress, I have worked to address the need for broad support for music education and to assure that every child has access to the benefits of active participation in music. I believe that music education is imperative to our children's growth and well-being. During their 21-year musical career, Fink and Marxer have inspired children with their gift of music.

I applaud Cathy Fink and Marcy Marxer and wish them continued success in the years ahead.

MARCH IS NATIONAL KIDNEY
MONTH

HON. JIM McDERMOTT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2005

Mr. McDERMOTT. Mr. Speaker, as co-chair of the Congressional Kidney Caucus, I want to make everyone aware that March is National Kidney Month. A growing epidemic, diabetes has a significant impact on kidney disease. Diabetes is the single leading cause of kidney failure in the U.S. today.

Approximately 17 million people living in America, or more than 6 percent of the population, have diabetes. Because a cure for diabetic kidney disease has not yet been found, treatment involves controlling the disorder and slowing its progression to kidney failure. Recent research has shown that the presence of high blood pressure may be the most important predictor of which diabetics will develop chronic kidney disease.

Therefore, the detection and control of high blood pressure are very important in diabetic patients. March is National Kidney Month and the Kidney Caucus in partnership with the National Kidney Foundation is urging all those at-risk for kidney disease, including diabetics, to get checked out by their doctor.

Treatment to prevent diabetic kidney disease should begin early, even before kidney damage develops. To accomplish this, experts must make diabetic patients aware of the severity of this disease and its symptoms, and must educate diabetics on ways to control the disease.

IN HONOR OF TILLIE FOWLER,
FORMER MEMBER OF CONGRESS

SPEECH OF

HON. C. W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 8, 2005

Mr. YOUNG of Florida. Mr. Speaker, I rise to pay tribute to a great American, Tillie Fowler, who served this House with honor and with passion for eight years.

She was not only a colleague and friend to many of us but she was an unquestioned expert on national security. Her highest priority was always taking care of our men and women who serve in uniform. She established such a strong reputation as a tireless worker for her district, our state, and our nation that she quickly rose to one of the most important leadership posts in our conference.

Even after she left this House, she continued to serve when called upon, taking on a

number of difficult assignments given to her by the President and Secretary of Defense.

As much as Tillie Fowler will be remembered for her dedication to this House, I will always remember her for the respect and compassion with which she served. At a time when we talk about civility in the House, it would do us all some good to reflect on the way in which she treated all the members and staff in this body with grace and respect.

Our prayers go out on this day to Buck, Tillie's husband of 34 years, and their two daughters Tillie and Elizabeth. The news of her sudden hospitalization and quick passing was a shock to them and all of us as well.

The family can take great solace, though, as they reflect on a woman who dedicated her life to public service and who will long be remembered not only for what she accomplished but for the way in which she set about to serve others. Today indeed is a tragic day for the people of Florida, our nation and this House. We have lost a great American, a great colleague, and a great friend.

INTRODUCTION OF HATE CRIMES
STATISTICS IMPROVEMENT ACT

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2005

Mrs. MALONEY. Mr. Speaker, today I join my colleagues, Representatives WEINER,

CUMMINGS, BARBARA LEE, GUTIERREZ, GEORGE MILLER, WOOLSEY, LOFGREN, GONZALES, SANDERS, and LINDA SÁNCHEZ in introducing the Hate Crimes Statistics Improvement Act.

The Hate Crimes Statistics Improvement Act will ensure that hate crimes motivated by gender are accounted for by the FBI and local law enforcement agencies. With accurate data, local communities can identify gender-based hate crimes in their area and chart their progress toward eliminating them. Moreover, the inclusion of gender will send a strong message that gender-based hate crimes will not be tolerated.

In states with gender-based hate crimes laws, prosecutors typically must present concrete evidence that the criminal act was committed due to gender bias. Obviously, not all crimes against women are gender-based crimes, and prosecutors should have discretion in identifying what constitutes a gender-based hate crime. The process of discussing these differences will improve the understanding of all hate crimes by law enforcement personnel and will improve reporting of these tragic crimes.

I urge my colleagues to support this important legislation that will help reduce hate crimes against women.

ON THE RETIREMENT OF JOHN FIELDS STOVALL

HON. WILLIAM M. THOMAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 9, 2005

Mr. THOMAS. Mr. Speaker, I rise today to celebrate the retirement of a distinguished constituent and good friend, John Fields Stovall. John has worked as General Counsel for the Kern County Water Agency in my district for more than sixteen years, earning the respect of his peers for his thoughtful, effective work on behalf of California water interests.

John has lived most of his life in Bakersfield, California, beginning at the age of ten. He graduated from Bakersfield High School and subsequently Bakersfield College, where he studied pre-pharmacy. John moved to the University of California at Los Angeles, where he graduated in 1970 with a Bachelor of Arts degree in Psychology.

Before beginning his career in water issues, John first worked for the Food and Drug Administration as an Investigator and received his J.D. degree, with honors, from Loyola Law School. John worked for several law firms, in-

cluding the respected Lebeau, Thelen and Lampe. While working at Lebeau, Thelen and Lampe, John met his wife, the former Jan Blocher, and began legal work on water rights issues. He took that experience with him to the Kern County Water Agency in 1989, when he joined the Agency as General Counsel.

John has successfully shepherded the Agency through many legal challenges and opportunities, including the organization of the Kern Water Bank. His work to ensure continued favorable operation of the State Water Project has helped to provide consistent water supplies for thousands of Kern County residents and farmers. It was a pleasure to work closely with John in our efforts to reauthorize the federal portion of the California Bay-Delta Program. In recent years, he studied for and successfully received his Doctorate from the highly-respected Peter F. Drucker Graduate School of Management at Claremont Graduate University.

In his personal life, John is active in the local community. He participates in the Bakersfield Chamber of Commerce's Government Review Council and the Bakersfield Breakfast Rotary Club. He supports local students as a competition judge for high school mock trial competitions, and is an active member of the Kern County Republican Party.

While John's full-time career at Kern County Water Agency is coming to an end, I am sure that he and Jan will continue to be valuable and active members of our community in Bakersfield. On behalf of Kern County residents who recognize the necessity and value of reliable water supplies, I thank John for his service and wish him and Jan the best as they begin the next stage of their lives.
